

Forklift Beacon Light Projector Datasheet

Overview:

SafetyCast™ Hazard Illumination Forklift Beacon Light provides visual warning to pedestrians and vehicles in accident prone areas, or areas where pedestrians share floor space with mobile industrial handling equipment, such as warehouses, dock and loading areas or any industrial workplace pedestrians. The product is weatherproof, thus ideal for indoor and outdoor use.

Key Features:

- Easy to install on any forklift in minutes
- High visibility illuminated projections provide the pedestrian with clear knowledge of their proximity to moving equipment
- Weatherproof and ideal for indoor/outdoor use
- Run off 10-80VDC
- Long operating life of 30,000+ hrs

Specifications:

Lamp Details

Type of Light Source:	High Performance LED
Rated Power:	9W
Light Source Life (MTTF):	30,000 hours at 25°C/77°F

Optical

Light Colour:	Orange
Projection Type:	Beacon

Temperature Range (°C):	-20 to 50 °C (-4 to 120 °F)
Operating Voltage:	10-80V DC
IP Rating:	IP65
Weight:	1.4 Kg (3.08 lb)

Standard Warranty:	12 months
